

Register Today for the Reimbursement & Coding Series!

Learn or update your (or your staff's) knowledge about *reimbursement & coding* responsibilities *and* validate it. Attend this self-paced interactive course and competency test that guide you through the complexities of oncology reimbursement, from understanding Medicare to proper coding procedures. Choose from **three options** according to your needs:

Option 1:

Reimbursement for Nurses *and* Managers: The Keys to Successful Practice *(Course Only)*

[Reimbursement for Nurses and Managers: The Keys to Successful Practice](#) is a self-paced interactive course that guides both staff nurses *and* their managers through the reimbursement maze! Get critical and cutting edge information, an abundance of practice scenarios, and a detailed toolkit. Successful students receive 2.25 CNE credits.

Member Price: \$29—Non-Member Price: \$39

Starting Course Dates: September 15, October 20, and November 10

Option 2:

Practice What You Know: Validating Your Reimbursement Competency *(Competency Test Only)*

Confirm your reimbursement and coding knowledge and gain invaluable additional practice by taking the [Practice What You Know](#) competency test. This test will validate your knowledge of reimbursement coding procedures using detailed billing calculations and case scenarios. It also offers additional coding practice, validates your competency, and improves your confidence in coding procedures. Successful students receive 1.25 CNE credits.

Member Price: \$14.99—Non-Member Price: \$19.99

Starting Competency Test Dates: September 22, October 27, and November 17

Option 3:

Reimbursement for Nurses and Managers Course *and* Practice What You Know *(Webcourse and Competency Bundle)*

This self-paced interactive course and additional competency test guide you through the complexities of oncology reimbursement, from understanding Medicare to proper coding procedures. Each module of the [Reimbursement for Nurses and Managers](#) course will guide you through a step process of building your knowledge of coding responsibilities. Validate your knowledge and gain valuable additional practice in the [Practice What You Know](#) competency test. Successful students receive CNE credits for both course and test, valuing 3.5 CNE credits. *Sign up for the course and the competency test at one low price and save!*

Member Price: \$40—Non-Member Price: \$50

Starting Course Dates: September 15, October 20, and November 10
